Dear Parish Family and Friends,

Christ is Risen!

As I write this letter to you the time for exchanging the wonderful, beautiful, and powerful greeting of "Christ is Risen" is coming to an end. This year's Easter and Holy Week celebrations were absolutely wonderful! It was so delightful to see so many of you coming out to help clean, decorate, offer time for fellowship, and worship. During this time, we received many blessings from God and each other. Now, we are looking to the Ascension of our Lord and the coming of the Holy Spirit on Pentecost. It is interesting that just about the time we are beginning to get very used to greeting each other with "Christ is Risen" we must stop. Yet, certain things must continue. The work of preaching and teaching the good news that Christ is Risen does not end. Our collective journey to growing closer to Christ does not end. The important work of the Church also does not end.

On June 26th we will celebrate the Sunday of All of Saints. On this day our Holy Orthodox Church asks us to consider all the Saints. We are asked to look to them for strength. We also asked to look to them as an example. An example that the work of the Church continues, with all believing Orthodox Christians. Through God's grace and the strength of the Holy Spirit we are able to work towards unity with Him and one another. When you look through this month's ECHO you will read about many wonderful things. You will read about a great gift given from the late Pete Athanas. You will see all the wonderful activities that went on in April and May. You will also read that there is more to come and more to do. The future blessings to come are made possible by God's grace, the past gifts, and your continued work.

I pray that as we journey toward our Lord's Ascension and our Parish Feast of Pentecost that we remember all the blessing we have received. I pray that we look to the blessings yet to come. I pray that we do this together working to accomplish all that our Lord has in store for us.

In Christ,

Father Larry Legakis

President's Message by Denny Lawrence

Xristos Anesti!

Easter Morning: After the midnight resurrection service, it is customary to break the Lenten fast with the traditional Mageritsa. Once again, this traditional Easter soup was offered and prepared by Kyp Proestos family and friends. Wine was provided by the Emmanuel T. Yakumithis family and the Daughters of Penelope donated 15 loaves of Tsoureki. We enjoyed the fellowship generated by this occasion and thank all those who were able to help make this a successful community event.

Community Center Repair: The Community Center roof repair project over the kitchen and storage area is complete. Capital Improvement Funds were used to pay repair costs of \$40,961. This amount included two change orders we issued to add insulation and install a saddle to ensure proper water drainage and the cost to disconnect and reconnect the roof top walk-in cooler and freezer. Our next major Community Center project is to repair or replace the water damage to the kitchen ceiling. More on this as we investigate repair options and cost.

Planned Giving: Peter Athanas, who recently passed away, named Holy Trinity in his will. The lawyer handling Peter's estate estimates Holy Trinity will receive between \$600,000 and \$650,000 from Peter's estate in two installments. The first installment of \$325,000 has been received and was deposited in the Endowment Fund account. We expect the second installment late this year. This generous gift from Peter will be used to begin repairs to our Cathedral Dome. May his memory be eternal...

Summer Lunch Program: The Summer Lunch program got off to a good start May 12, 2016. Twenty-eight parishioners prepared and served 277 meals to our downtown community, family and friends of Holy Trinity. Net income was \$2,269. All leftover meals were donated to the needy of downtown Toledo. We thank all those who were able to help make this such a successful community event.

Community Picnic: The community picnic is schedule to take place on Friday, June 17 at Wildwood Park. Last year's event was spectacular and we expect another eventful, fun-filled evening. Come enjoy the fellowship and food at this community event.

Cathedral Repair: Progress continues in our efforts to identify what repairs are needed to stop water leaks in our Cathedral. In late May we held a pre-bid conference with several contractors who physically inspected the dome and associated structures. We plan to finalize our

Request for Proposals in June and solicit repair estimates from interested contractors. Our goal this year is to begin repairs to our Cathedral.

Festival Workshops: Festival workshops are underway. This is an important part of our Greek American Festival. We encourage all parishioners to support these workshops and ensure the success of this important community event.

Christian Stewardship – is ...what a person does after saying "I believe..." as proof of that belief.

Philoptochos News by Susie Doukides

Christ is Risen! Truly He is Risen!

During this holiest time in our Orthodox Faith, we recall the meaningful, beautiful Holy Week Services and rejoice in the glory of His Resurrection.

Again this year, Philoptochos joined with Daughters of Penelope in celebration of Mother's Day. George and Chris Kamilaris of Georgio's International Café welcomed more than 70 women on May 10th for a scrumptious dinner well-planned and chaired by Marina Cooper and Maria Tzanakis. A professional magician charmed everyone with his skills and artistry.

Graduate Sunday hosted by our parish on May 15, was an enjoyable occasion recognizing and celebrating our 2016 high school and college graduates. Academic, Service and Athletic Scholarships honored proud recipients. A \$1,000 Philoptochos Service Scholarship was presented to Alex Pechlivanos by Stephanie Berardinelli and Yanula Stathulis. Congratulations, Alex! We are proud of you as you begin your freshman year at St. Olaf College. Philoptochos also presented Graduation Certificates to high school graduates John Chrysochoos and Andreas Kamilaris as well as College Graduates and Post-College Graduates Stephanie Wade, Kathy Chaka and Christine Sarantou.

Recently, our local Philoptochos launched "Operation Charms," a new project to raise funds to support Philoptochos' worthy philanthropies. Debbie and Stacie Morris, chairs, commissioned unique, beautiful bracelets and necklaces designed by local jeweler Paul Antypas and feature a stunning replica of our beloved Cathedral. Inventory sold out quickly however, additional bracelets and necklaces are on order and will be available soon. Please see Debbie or Stacie in and around our parish for additional information or to purchase these lovely pieces. For your convenience, you can also print an order

form via Debbie's email, dmorris@pentacc.org. Bracelets and necklaces are favored gifts to ourselves or those special "others" in our lives.

Philoptochos continues its' on-going support of the 2016 National Philoptochos Project. On May 25th, Philoptochos prepared and served a nutritious, delicious dinner for 55 clients of the Toledo Gospel Rescue Mission and Rebecca's House. We continue to encourage and welcome anyone who wants to help with this "Feed the Hungry Initiative." Please contact Philoptochos President Susie Doukides.

Finally, as we plan for summer and its delights, please look for the Calendar of Festival Workshops that will be in your mail soon. Our Annual Greek Festival is recognized as the most popular Toledo cultural festival, in large part because of our delicious, authentic, plentiful Greek food and pastries prepared in our kitchens by our dedicated parishioners. We need and welcome everyone – men, women and young people. Come and bring friends! Plan to be present for as many workshops as possible and discover the fun of togetherness and accomplishment as a parish family.

Daughters of Penelope News by Connie Mynihan

A delicious Potluck dinner was enjoyed at our May meeting, a veritable smorgasbord of items and tempting sweets. Thank you everyone for your delicious contribution. Our last meeting before the summer was again blessed with a large showing of members in attendance.

During the summer, the Daughters of Penelope are normally very quiet, but that will not be the case this year. We are having various functions occurring this summer and in early fall; therefore we will be active this summer in preparation. Stay tuned, flyers will be coming announcing our "Casino Bus Trip" and a possible Comedian night. Both look to be very enjoyable and entertaining.

Great fun was had by everyone for the Mother's Day dinner which was held on May 10th, the food was fabulous, as usual, and we had 69 people show up. Everyone enjoyed a special guest magician, Dorian Grey. Thank you to Kathy Chaka for donating and elegantly arranging the flower center pieces for the occasion. Thank you to George and Chris Kamilaris and the staff for making this event so successful. To Marina Cooper chairperson Daughters of Penelope, and Maria Tzanakis chairperson Philoptochos, thank you for making this a very different and interesting Mother's Day.

AHEPA Day was May 15th celebrating with a delicious Lamb shank dinner with roasted potatoes, salad, Greek peas, coffee and cake. Congratulations to all of our high school and college graduates. Congratulations to **Alex Pechlivanos**, recipient of our **Daughters of Penelope Service Award**. To all the graduates: ***"Be bold, be courageous, be your best."***

News from AHEPA Chapter 118 by George Arvanitis

Hello to all from AHEPA Chapter 118. I'd like to thank the members of our community for their continued support of AHEPA Day/Graduate Sunday. It's great we can all join together as a family to show appreciation and encouragement for the graduates of our community. The Daughters of Penelope did their usual excellent job setting and decorating the tables and helping with the food. Thanks to the best kitchen crew this side of Athens for the fall-off-the bone tender lamb shank dinner. Congratulations to this year's graduating class. We wish you continued success as you transition to next chapter of your lives. Congratulations to the new officers of Ypsilanti Chapter 118.

Young at Heart by Becky Skiadas

Christos Anesti!

YAH had a wonderful trip to NYC in April. We returned in time for our Easter celebration and we hope everyone had a great holiday with their families.

We had an unforgettable time on our trip with stops in Philadelphia visiting the Independence Hall and the Liberty Bell.

In NY we visited the 911 Museum on our first day. The beautiful Central Park, SOHO, Chinatown, Little Italy and a drive around NY with our terrific tour guide pointing out all the different areas of the town. We went to Ellis Island where some of us looked up our relatives who had arrived through there. It was very emotional for some of us. The Statue of Liberty was exciting. Miss Liberty is still a beautiful symbol sitting on the Island welcoming people from all over the world. We had our last dinner at the Trump tower and a visit to Time Square. It was a very exciting and fun time and a BIG THANK YOU goes to Tina Papalekas for organizing and being the best social director. She kept us busy with funny stories movies and games. We had plenty of refreshments. A thank you also goes to Dorothy Yakumithis for all her work in keeping track of the finances for our trip and she and Tina purchased the refreshments together. Our last stops were Hershey Pennsylvania and a beautiful flower garden which was enjoyed all.

At May's meeting we enjoyed a lecture from Basil Apostolou on Food, Music and Faith - A journey through the Greek culture.

We will also be planning some fun day activities throughout the summer.

Please consider joining us in the fall. We welcome everyone 50 years young.

We are happy to welcome back with us Nitsa Matthews. YAH has missed her and we are so happy to have her back.

Have a safe and happy fun filled summer.

Holy Trinity Cookbook by Jeanne Gatoura

A Cooking Class Committee has been formed and plans are underway for another Make & Take Cooking Class Series in early Fall. Using the same successful class format, students will receive "hands on" instruction from our community's experts while each prepares his or her own dish or dessert to take home. Once all details are finalized for the three class series, complete information will be available soon to share with friends, neighbors, and co-workers.

As the temperatures rise over the next couple of months, the abundance of summer's fresh produce increases too. So whether you're hosting a party, attending a potluck, or fixing a family meal let the Cookbook inspire you with its wide selection of ideas to prepare the season's bounty. For instance, when both

zucchini and fresh dill are plentiful, a savory Kolokithopita speaks summer to Katherine Resch who tries to make it two or three times during the season. This summertime culinary tradition began with her mother Paraskevi Evdemon, born in Tenedos, an area well known for their pites, who made this delicious recipe during the summer months. To create, parboiled, grated zucchini is combined with sautéed onions, cooked rice, crumbled feta, cottage cheese, beaten eggs, and minced fresh dill and mixed thoroughly. In a baking pan, five phyllo sheets, each brushed with melted butter, are layered then covered evenly with the zucchini-cheese mixture. Another five phyllo sheets, also buttered individually, are layered on top of the mixture. Once the top phyllo layers are scored into squares and brushed with a beaten egg, the pite is placed in a preheated 350 degree oven for an hour until golden.

With the smoky flavor and enhanced fresh vegetable tastes created in Matina Nicholas' Grilled Eggplant Parmesan, this outdoor version of the traditional dish will become a warm weather favorite. To begin, the eggplant should be cut into lengthwise slices, lightly brushed with olive oil, and sprinkled with salt and pepper. In a bowl feta cheese, Parmesan cheese, and chopped fresh basil are combined and set aside. The eggplant slices are grilled over direct medium heat until tender and lightly browned on both sides, about eight to ten minutes. Then fresh ripe tomato slices and the cheese mixture are added, the grill is covered and the eggplants should cook until the cheese melts and tomato slices are warm, about one to two minutes.

Please remember that *Olives, Feta, Phyllo & More!* is a great source for summer entertaining and along with the matching apron makes a delightful gift for any occasion. The Cookbook and apron are available in the Church Bookstore. The Cookbook can be purchased online at www.holytrinitytoledo.com

STEWARDSHIP 2016

"Those that seek the Lord shall never be in want of any good thing!"

Blessings, Blessings, and More Blessings!

By now, we have all heard the news that our prayers have been answered! Through the unbelievably gracious donation by parishioner Pete Athanas to our beloved Cathedral, we will be able to make repairs to the dome of our church to the tune of \$600,000 to \$650,000. In a year where paying off the mortgage of the Church was

exhausting at best, our community worked tirelessly holding many fund raisers and offering many private donations. It would seem that this year's motto is true, "Those that seek the Lord, TRULY shall never be in want of any good thing!"

It would also seem that we can all now relax and breathe easy. The Church will be fine... Unfortunately, that is NOT the mindset that we need right now. Now, more than ever, our community has a chance to be proactive. For the first time in a long time we can focus on building a Stewardship Program that is not hindered by other financial commitments. Holy Trinity's Stewardship Commitment Card program has the potential to generate funds that would allow us to operate in the black for the first time in many years. It would be amazing to be able to have conversations about all the good works we could do for people within our Cathedral and our greater Toledo community as well.

As you may recall from last month's article, the Stewardship Committee has sent out letters asking that everyone seriously consider the following:

1. If you have never filled out a Stewardship Card, please consider doing so.
 2. If you have filled out a card in past years, but for whatever reason haven't filled one out recently, please consider doing so.
 3. If you turned in a stewardship card at the same pledge as last year thank you so much and please reconsider that amount, and possibly raise it this year.
- and 4... if you've filled out a card and raised your amount from the previous year, thank you and please consider helping us spread the word.

Many people have said that this gift that we received to help fix our dome was truly a miracle! Let us then seize this opportunity that God has graciously bestowed upon us and work together to build a solid future for generations to come!

Thank you and God bless,
Kathy Chaka and Joyce Anagnos
Stewardship Co-Chairs

2016 Stewardship Update through May 16th - Our Stewardship goal for 2016 is \$240,000

So far 225 Stewards have turned in a pledge cards totaling \$192,727

Stewardship contributions are \$93,697

**Please prayerfully consider the needs of our Parish and do your best to give in 2016
at least the same amount in Stewardship as last year!**

Subject: Festival Workshops

From: Holy Trinity Greek Orthodox Cathedral

Once again, it is that time of the year to get ready for the Festival. We all need to work together to make the 45th Greek American Festival a huge success.

Please join us and give us as much help as you can. The food and pastries make our Festival the best one in the Toledo area. If you have not participated in a workshop, now is the time to come and work together for our Cathedral.

We meet in the Community Center and usually bring something to share for a potluck lunch. We need all of you to volunteer and be generous with your time. We work hard, talk a lot and share wonderful food and fellowship. We have always had a lot of help at the workshops because we have devoted and generous volunteers.

Reminder: IT'S GRAPE LEAF PICKING TIME – Please follow these instructions: 1. Pick leaf the size of a woman's hand, 2. *Snip the stem*, 3. Stack, DO NOT WASH OR BLANCH, 4. Put in plastic bags and bring to church to be put in refrigerator by June 24th.
