Dear Parish Family and Friends,

As I write this message to you my children are getting ready to go back to school. As we have all heard each of the School Districts in the area have made their decisions. Some decided to go virtual for a time then go hybrid. Some are already going hybrid. Some of them changed their minds a couple of times. All are hopeful to have in person learning as soon as possible. What I am seeing with my kids is that they are ready. I believe my children are ready to learn whether it is at home or at school, they are ready. I see this same readiness in our community as well.

We too are ready! We are ready to begin doing ministry again. We are ready to keep reaching out to you and the greater Toledo community. As was mentioned with regards to our children, we too see that things have changed. The way we minister has changed. In this month's echo you will see the changes. From doing a drive thru festival, The Taste of Greece, to going virtual with Greek School, things are not as they were last year. What is constant, is that ministry is being offered. This is vitally important, because we are called to become like Christ. We are called to grow closer to Him and although we do this on our own, we need one another for this to be fully accomplished.

We ended the Ecclesiastical year in August. The major feast for that month was the falling asleep of the Theotokos. September marks the beginning of the New Ecclesiastical Year and we begin the year with another feast of Virgin Mary, her Nativity. The birth of a child always has us consider what they will become. What are they going to grow up to be? I assume Mary's parents thought the same thing. We know that they did all they could to help her become what she was meant to be. Everyone is working hard to make sure that each of you, from our adults to our children has the resources, the ministries, to become what you are called to be, like Christ.

I want to end by thanking all those who are working so hard. From our internet and livestream ministry, to our Sunday School director, teachers, and youth group leaders. Our Greek School director and teachers. Our Philpotochos and its leadership and members. Our Parish Council president, officers, and members. Our Taste of Greece chairs and booth chairs. Our auxiliary groups who continue to work hard offering fellowship and resources. Most importantly all of you, the members of our beloved community who give of your time, talent, and treasure so that we become what God has called us all to be, imitators of Him.

In Christ,

Father Larry Legakis

My dear fellow parishioners,

Thanks to everyone who have been signing up to participate in the Divine Liturgy. We have been at or near capacity for the past month and it's wonderful to see everyone in church. We have tried to work out all of the kinks of planning for social distancing, but there will always be small tweaks to make it work better. Please be patient as this process continues to change. Also, please remember to sign up rather than just showing up. This is for everyone's safety. If (God forbid) we had a parishioner test positive, we have a list of people who could have been exposed. If you just show up, and we are at capacity, we would have nowhere for you to sit and potentially set our progress back. As we follow the rules and work toward responsible reopening, we put ourselves ahead of the curve. If we start ignoring the rules or set them aside for one reason or another, we are hurting the progress to reopening.

On September 11-12, we will be hosting the "Taste of Greece" Drive Thru Event. Hours are 11 am to 7 pm, Friday and Saturday. We will be offering chicken and lamb dinners, gyros, pastichio, grapeleaves, spanakopita, and desserts. We will also offer beer and wines to go. Please consider helping offset the costs of our supplies by sponsoring a case of pastichio or several pounds of lamb or chicken. Think about what you would normally spend over the festival weekend and maybe donate that amount to help our bottom line.

Finally, with Covid-19 at its height this past spring, we were unable to have a Parish Assembly. We will be having our fall meeting on October 11, 2020 at 1 p.m., via Zoom. Due to the social distancing requirements of not having large gatherings, this seemed to be best option rather than trying to postpone again. You will receive instructions to log in either by computer or telephone. We will also include instructions for asking questions, and making motions. Please make every effort to be a part of the meeting. We will be discussing the proposed 2021 budget, building plans for the Cathedral (scaled back as requested by the assembly last fall), Parish Council nominations as well as those for Audit Committee and Elections Committee.

Thank you all for your continued support of our beloved Cathedral.

## PHILANTHROPY FOR GENERATIONS

In spite of the unusual circumstances created by the corona virus this year, the summer months have flown by and fall is on its way. A new ecclesiastical year will soon be starting. The heads of all the ministries met on Zoom and reserved our dates for the upcoming months. We may need to do things a little differently this year, but we hope to still accomplish our many ministries.

I'm praying for good weather for our upcoming Taste of Greece drive-thru festival on Friday, September 11th and Saturday, September 12th. I'd like to thank those who spent many hours planning and volunteering at the workshops to make this year's festival successful.

Please consider donating to Philoptochos: we will still continue to pay our monthly obligations to both National Philoptochos and Metropolis of Detroit Philoptochos, replenishing our Holy Trinity Food Pantry, helping those in need, and feeding the hungry. Look for a link on the church's website for an upcoming donation to Hellenic College Holy Cross Seminary in September. You may also mail your donation to the church office (attention to Philoptochos).

Also, don't forget to shop at Kroger.... a percentage of your dollars spent goes towards our Community Rewards fundraiser program. Your support of Philoptochos and its countless ministries will help make Philoptochos and Holy Trinity an example of doing good deeds and caring for others.

## ***Daughters of Penelope News by Stacia Dimit***

Greetings from Dodona Chapter #24 Daughters of Penelope!

Daughters of Penelope officers attended two on-line meetings via Zoom on July 30 and August 6, 2020. Items discussed included planning and budgeting for the upcoming year. As you might expect, planning and scheduling activities are especially challenging at this time when we are unable to meet in person and attend the dinner meetings that we so much enjoy.

The next meeting for our entire membership is scheduled for Thursday, September 17, 2020 and will use Zoom. An email will be sent to everyone with the details and a link to access the Zoom meeting. We realize that all members may not have access to the internet and Zoom meetings. We hope that most of our members are able to attend.

Activities to be discussed at our September 17<sup>th</sup> Zoom meeting include a 50/50 Raffle which is planned in place of our usual fundraiser for the Ohio State-University of Michigan football game blocks. We are requesting that each of our members sell or buy two raffle tickets which are offered at \$10 per ticket. Sister Marina Cooper is the chairperson of this activity.

The virtual Walk to End Alzheimer's scheduled for October 10<sup>th</sup> will also be discussed at the September 17<sup>th</sup> Zoom meeting. An email will be sent to our members explaining how to sign up for the Holy Trinity Team.

We are still offering: phyllo dough (2 packages for \$5) and koulourakia (6 for \$3.00). To place an order, please contact either Connie Mynihan at 419-250-4899 or Marina Cooper at 419-343-2203. Please do not call the church office to order. Checks should be made payable to Daughters of Penelope. Exact cash will also be accepted (we are sorry that no change is available).

Our most sincere sympathy is extended to the family of Anthepe "Ann" Jakubowski who passed away on August 7, 2020. Anthepe was a dear and valued member of the Daughters for many years. A coffee hour in her memory is planned as soon as the situation with Covid-19 allows.

We are still looking forward to the time when Covid-19 is in the past and we can get together in person to meet and socialize. Until that day, please do what you can to stay safe and help keep our loved ones and community members safe too!

## ***AHEPA NEWS by Tony Capranica***

Our regular meetings are held September thru June on the first Thursday of each month. Unfortunately, because of the current restrictions on larger groups meeting, the rest of our year will look very different. We have scheduled our meetings on the church calendar for the first Thursday of the month starting in September and ending in June of 2021. At this point the officers

aren't sure how the meetings will be conducted. We may attempt a Zoom meeting for the September meeting. The membership will be notified by email confirming the September meeting.

We are planning to have a small golf outing on September 26 at Brandywine Country Club. Additional information and details will be sent out to the members.

Our events for the coming year have been scheduled and hopefully we will be able to gather and enjoy each other's company. Along with the Daughters we are planning to have the Gyros to Go fund raiser in October. Watch your email and the church bulletin for details on that. Also, if there is a Super Bowl we will continue our traditional Super Bowl Block raffle.

Until we can all gather again for in-person meetings please stay safe and practice common sense social distancing.

As always, Ypsilanti #118 is looking for new members and encouraging former brothers to re-join. For more information, checkout [www.buckeyedistrict11.org](http://www.buckeyedistrict11.org) or [www.ahepa.org](http://www.ahepa.org).

## ***Young at Heart News by Becky Skiadas***

Hello to all of YAH members. I miss all of you. I hope you are staying safe.

It is with a very sad heart that we lost another precious soul from YAH. My beautiful cousin Anthepe.

She had 2 back to back surgeries which caused her a lot of pain and dementia set in and took her from us. I will miss her very much but will cherish her memory in my heart. She loved all of you and enjoyed our dinners and our trips. May her memory be eternal.

I want to wish Faye Grevis a Very Happy 90th Birthday. Faye is a ray of sunshine always with a smile and bubbly personality. We wish her many more years of good health and happiness.

I am still recuperating from surgery and had to undergo 2 because a screw came loose from the first one!! I always knew I had a screw loose.

Our Vice President Nitsa is recuperating from back surgery in Fort Wayne. We wish her perastika and hope to see her home soon.

I am hoping that by October we can get together at the Community Center again if all of you are up to it and not afraid to. We would wear masks and social distance. I will let you know soon.

Please take care and stay safe. Till we meet again.

## ***Taste of Greece Workshops by Connie Mynihan***

Thank you, thank you, thank you to an absolute fantastic and brave group of individuals who came down to make our delicious pastries, dolmathes and spanakopita for **Taste of Greece**, which will be held September 11<sup>th</sup> and 12<sup>th</sup>, 2020.

Safety precautions were established due to Covid-19 and we all learned how to communicate even with masks on. It almost becomes a new language to learn. Masks, shields, gloves, six feet restrictions, enter and exit areas are the new normal, but they become just a part of everyday life. It was surprisingly easy to follow and all of us enjoyed the fellowship of a small group of our church family.

In as little as a month, this small group of individuals created over 14,000 pieces of pastry and over 7,000 food items.

May God give us the strength to continue on with the ministries of His church.

## A Time for Every Purpose Under Heaven

Fall is here and summer is once again a memory... Many people are very apprehensive of what the Fall will bring, especially since everywhere you turn these days the news is filled with one depressing event after the next. But people by nature are optimistic, especially if prayer and faith are the center and light of their lives. Our beloved Holy Trinity has been that beacon of light for many throughout these past months since COVID began. We are so thankful each time we step into our Cathedral, even if right now it's only 60 parishioners at a time.

You may have been wondering how our 2020 Stewardship Campaign has been affected by all of this. I am very thankful to report that financially, Stewardship has been holding its own. Thanks to many of our Stewards who have pledged or fulfilled their pledge thus far, we are on track for hitting our Stewardship goal for the third year in a row. This would be amazing news in a regular campaign year, but as we know this year is unprecedented, so therefore this news is truly a blessing!

We prayed and worked so hard two years ago when we met our Stewardship goal of \$250,000 for the first time. Then, last year we forged ahead with the campaign slogan, *Watch Us Soar!*, and soar we did! We exceeded our Stewardship goal and ended the campaign with \$260,000! Below, you will see where our current 2020 Campaign stands...

- **This time "last year"** we had 232 Stewards participating in Stewardship for a total of \$219,986.
- **TODAY**, we have 247 Stewards participating in Stewardship for a total of \$224,031
- **Currently**, we have \$169,946 collected from the above pledges and donations.

**Even if we can't all be together at Church, our beloved Holy Trinity still needs us. So please, make your pledge today and be a part of preserving this Cathedral for generations to come! There are 4 months left in the 2020 Stewardship Campaign... We are \$25,969 away from our goal of \$250,000

# "Let the Children Come to Me"

## HTGCC Monthly Youth Update

September 2020

Dear Parents,

As we get ready to enter into another year of ministry I keep thinking about how wild things have been! What we must keep in perspective is the importance of teaching and preaching the Gospel to our kids. It is very important that even in these times where ministry is changing that we keep doing ministry.

Very soon you will receive emails and letters explaining how we are going to reach out to you and your families. You will see our youth ministries, Sunday School, and Greek School adapt to these times. In this newsletter you will find a couple explanation as to some changes coming. You will also notice that we are trying to get our kids together in safe ways while the weather is still good. We prayerful ask for your patience and hope to see your children as we keep growing together as a parish family.

In Christ,

Father Larry

### Sunday School News

As you can imagine Sunday School this year is going to be a little different. Due to Covid-19 concerns Sunday School will be taught in a hybrid format. Once a month we will have "Sunday School Sunday". On this Sunday we ask all of our families to come to Church and worship together. After receiving Antidoro, we ask that you go back to your seats for a short 20 minute lesson by Father or one of our teachers. The lesson will be an overview of the theme that will be appropriate for all ages.

The other youth groups will meet virtually and expand on the theme introduced on that Sunday. The first Sunday School Sunday is Sunday, September, 20th.

In the next few weeks will be sending more information. We are looking forward to seeing you in Church!

### Greek School News

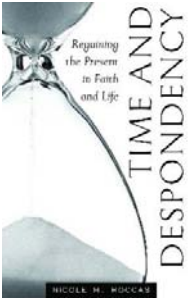

This year because of Covid-19 Greek will begin virtual. Mrs. Anagnos is prepared to teach the kids via Zoom. Classes will begin in September. We begin Saturday Classes in the morning finishing early afternoon. The classes will be divided up by level and they will be approximately 40 minutes long.
