

Dear Friends of Philoptochos,

We hope you are as excited as we are for **Greece Uncorked!** We are excited for our triumphant return for the 6<sup>th</sup> annual event. This year's event will be held on **November 9, 2024**. The Ladies Philoptochos Society of the Holy Trinity Greek Orthodox church has been able to donate almost \$50,000 to local and National charities. That truly makes **Greece Uncorked!** a cultural event of Olympic proportions! This year we will have the Greek food everyone loves, wine and beer selections from Greece, and of course entertainment that includes dancing, silent auctions and raffles!

The Ladies Philoptochos Society (a Philanthropic Society) chooses charities that meet our core values and are in line with our mission statement, to aid the poor, handicapped, victims of disaster, etc. We are proud to have selected local charities where funds raised will go directly back into the community. This year our recipient is:

- **Philoptochos Aurora Project Cooking Class**

The Aurora Project Cooking Class is a partnership between The Ladies Philoptochos Society of Holy Trinity, Aurora Project and Chef Michael Armstrong. It was created to educate the residents of Aurora Project on preparing meals with food from the food pantry at Holy Trinity.

The success of our event greatly relies on the generosity of our community. We are respectfully asking for your monetary donation; in return please see the second page for sponsorship information.
